

Mount Clemens Boosters

Home of the Battling Bathers

History:

The Mount Clemens Boosters was established many years ago to support student organizations at the Mt. Clemens High School complex. This group of dedicated individuals is committed to continuing the support which benefits not only students and organizations, but also parents, faculty and administration. We are proud to provide assistance to this great school and school district.

----We are the MOUNT CLEMENS BOOSTER CLUB----

Accomplishment Highlights:

- * Yearly scholarships given to students attending higher education. Nine seniors from the Class of 2008 received \$500 scholarships. .
- * \$5 per player contributed to the end of season team recognition event.
- * Various contributions made to the senior activities, Business Professional of America, Young Educators Society, honors recognition and sports team for uniforms and equipment.
- * A large donation is made annually to help purchase a school need (ice machines, gym padding, team chairs in gymnasium, etc)

Goals:

The Mount Clemens School Booster Club supports all student activities at the school-academic and athletics. In order to achieve our goals, the booster club has relied on the tremendous support from local businesses, families and individuals. In addition, events such as the Soap Box Derby, Stars and Stripes/Bath City Festival Parking and the sales at the concession stand at sporting events have helped us financially.

The names of many of these contributors appear in the banner ads at school functions. We invite you to patronize their businesses. It is through their generous contributions that the Booster Club has been able to allocate significant funds for student activities and capital improvements at the school. If you know of any additional contributors please refer them to the contacts below.

****We need volunteers to help us decide how to help our school community. We welcome input from new members and community partners. The Mt. Clemens Boosters meet 1st Tuesday of the month at the High School Social Room at 7 pm.**

We are also seeking adult help in the concession stand. We are only asking for 1-2 hours during a sporting event to help serve food or sell raffle tickets. We are open for all the sports seasons! Times and days to work are very flexible.

President: Jennifer Cattini (248) 961-6128
Vice President: Judy Rice (586) 630 0602 ricedetroit@aol.com
