Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Mount Clemens Junior High. The AER addresses the complex reporting information required by federal and state laws. The School's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about AER, please contact Dr. Pamela Bilbrew, principal for assistance.

The AER is available for you to review electronically by visiting the following web site [www.mtcps.org](http://www.mtcps.org) or you may review a copy from the office at your child's school.

For the 2010-2011, Mount Clemens Junior High did not make Adequately Yearly Progress (AYP) because of sub-group in attendance. While we are pleased to have reached an important goal of maintaining our grade of a B, we are still continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort. Parent's can assist children's academic success by insuring daily attendance, monitoring homework, attending Parent-Teacher conferences and participating in Family Education and school activities.

State law requires that we also report additional information. Mount Clemens Junior High is School of Choice. We provide an education for students in the 7<sup>th</sup> and 8<sup>th</sup> grades. Families who reside out of the Mount Clemens Community Schools may apply during the open enrollment period.

Mount Clemens Junior High School is accredited by the North Central Association and is recognized internationally for our commitment to high standards with our Internationally Baccalaureate Middle Years Program. This program provides classes that challenge students and help prepare them for college. We are continuing to prepare for our Quality Assurance Review to be held during the 2011-2012 school year.

Mount Clemens Junior High curriculum is aligned with State of Michigan Standards and the Grade Level Expectations. If you would like to have a copy, please visit our district website at [www.mtcps.org](http://www.mtcps.org), or obtained a copy by contacting the Mount Clemens Junior High office.

Mount Clemens Junior High believes that partnering with parents is essential for ensuring student success. For the 2011-2012 school year 75 % of parents attended our conferences that were held twice throughout the year. We encourage parents to become actively involved their child's education and academic activities.

The Mount Clemens Junior High School Administration and staff are proud of our School Report Card Grade of "B" as we continue to make positive strides in our academics gains.

Mount Clemens Junior High School commits itself to involving school personnel, community members, students and their families as partners in an ongoing process towards their educational goals.

Because Mount Clemens Junior High believes that students, faculty and staff should all continue to grow, we will construct an environment of excellence and responsibility that fosters intellectual, social, physical, emotional, and ethical growth for all.

Sincerely,

Dr. Pamela Bilbrew  
Principal
