Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for M.L. King Jr. Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Mrs. Sharon Gryzenia, principal for assistance.

The AER is available for you to review electronically by visiting the following web site www.mtcps.org or you may review a copy from the Principal's office at your child's school. For 2010-2011, M.L. King Jr. Academy made Adequate Yearly Progress (AYP) in English language arts and mathematics and received the report card grade of B. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort. You can assist your child's academic success by insuring daily attendance, monitoring homework, and by attending Parent-Teacher Conferences and Family Education events.

State law requires that we also report additional information. M.L. King Jr. Academy was an Elementary School of Choice for 2010-2011. We educated students from kindergarten through sixth grade at our building. If you did not reside within our attendance area, you can apply for admittance to our school. Our school has been accredited by North Central Accreditation.

The State of Michigan has recently adopted a new Common Core State Standards for English Language Arts and Mathematics. This Common Core State Standards have been aligned with the Grade Level Content Expectations for each grade level. You can obtain a copy of these State Standards by contacting M.L. King Jr. Academy main office.

We strongly encourage parents to take an active part in their child's education. For the 2010-2011 school year, only 61% of parents attended these twice yearly conferences. Our goal is for 100% of our parents to be active members of our school family. Our building parent policy is distributed to parents each fall at Open House and encourages parents to take advantage of the wonderful educational opportunities for their family throughout the school year.

The Administration and Staff of M.L. King Jr. Academy are pleased with our School Report Card Score of “B”. We are continuing our efforts to improve both the instruction and academic success of our students. Title I programs assisted students with before and after school academic tutoring and provided paraprofessionals assistance to individual students. Additionally Title I funded family education programs and professional development for our teachers.

We will also continue our efforts with our Healthy School initiative: assisting our students with learning about healthy lifestyles and making nutritious choices. M.L. King Jr. Academy is the recipient of: 1st place –Outstanding Achievement in the Healthy School Environment Recognition Program and has won the National Bronze Award from the Alliance for a Healthier Generation for 2010.

We enjoyed working with you and your children during the 2010-2011 school year. Although we changed our format for the 2011-2012 school year, we encourage you to work with all buildings to enhance your children’s educational achievement.

Educationally yours,

Sharon S. Gryzenia Ed.S.
Principal
